SERVICES

BUSINESS VALUATION

Bederson's expertise in performing business valuations along with our reputation for objectivity has earned us the trust of many business owners, courts, attorneys, banks and others. We realize that every business has its own unique circumstances. Whether you are involved in estate planning, shareholder disputes, divorce proceedings or negotiations, knowing the value of your assets is critical to the decision-making process. Business valuation is not only about valuing companies, it is also about using valuation as a tool for making better business decisions. It is a complex process requiring sophisticated analytic skill and a sound understanding of economic principles. Business valuation should be performed by experienced professionals who are accustomed to dealing with the following issues:

- Buy-Sell Agreements
- Gift and Estate Taxes
- Bankruptcy & Insolvency
- Mergers & Acquisitions
- Matrimonial Litigation

In addition to our highly trained staff's experience in these areas, we have earned accreditation as Certified Public Accountants as well as Certified Valuation Analysts. Keeping current on ever-changing tax laws, each of our valuation professionals has a keen understanding of the economic trends, specific industry issues and other financial factors that can impact the value of a business.

FORENSIC ACCOUNTING & LITIGATION SERVICES

Forensics is a highly specialized area, so it's important to have an experienced and knowledgeable team in your corner. Bederson has extensive courtroom experience and credentials, including advanced designations such as CFE (Certified Fraud Examiner), CIRA (Certified Insolvency and Restructuring Advisor), ABV (Accredited in Business Valuation), a CFF (Certified in Financial Forensics) and CVA (Certified Valuation Analyst). Our practitioners hold leadership positions in professional organizations dedicated to these disciplines.

We were one of the first accounting firms in New Jersey to establish a specialty in litigation services. We know the discovery process well and have provided expert witness testimony in many state and federal court cases. Bederson's courtroom and forensic abilities have earned the firm special recognition by the FBI for work on one of the largest bankruptcy fraud cases in New Jersey history. We have been named to the "Best of" class by the readers of the New Jersey Law Journal every year since 2012 for our forensic, litigation, bankruptcy, matrimonial, business, economic damages and corporate investigations services.

For decades, attorneys and business owners have trusted Bederson for matters involving:

- ADR
- Corporate Disputes
- Damages
- Expert Witness Testimony
- Insurance Claims
- Interrogatories and Depositions
- Investigation and Documentation of Defalcations
- Matrimonial Consulting
- Professional Liability
- Shareholder Disputes
- Strategy Development
- Valuations
- Turnarounds and Workouts

SERVICES

INSOLVENCY & REORGANIZATION SERVICES

Those who face or represent entities that face insolvency and reorganization need access to knowledgeable financial and specialized tax advice. Bederson's financial professionals have a stand-out track record advising on insolvency, reorganization and valuations.

Our experts have decades of experience in turnarounds and workouts, providing accounting, tax and other assistance to creditors' committees, debtors, trustees as well as acting as court-appointed examiners, mediators, fiscal agents, receivers and other fiduciaries. Our record of effecting optimal outcomes for our clients in this highly specialized area has earned Bederson a trusted reputation in insolvency and reorganization matters.

In addition to handling all aspects of turnaround and workouts, we are experienced:

- Accountants and Financial Advisors to Creditors' Committees
- Accountants and Financial Advisors to Debtors
- Accountants and Financial Advisors to Trustees
- Accountants and Financial Advisors to Assignees for the Benefit of Creditors
- Court Appointed Examiners
- Court Appointed Mediators and Arbitrators
- Court Appointed Fiscal Agents, Receivers and Other Fiduciaries
- Turnaround Consultants

Bederson was one of the first firms in New Jersey to develop a specialization in insolvency and litigation services. In addition to being Certified Public Accountants, our insolvency professionals have earned advanced designations that include CFF (Certified in Financial Forensics), CFE (Certified Fraud Examiner) and CIRA (Certified Insolvency and Restructuring Advisor). Our partners hold leadership positions in the very professional associations that accredit these specializations.

Our insolvency group received recognition from the FBI for work on one of the biggest bankruptcy fraud cases in New Jersey history. Since 2012 we have also been recognized every year by the readers of the New Jersey Law Journal as "Best of" in bankruptcy, forensic accounting, litigation services, investigations, matrimonial work and more.

TURNAROUND CONSULTING SERVICES

At Bederson, we understand the difficulty of navigating your business through economic downturns and shifts in the marketplace. For many businesses, continuing on a course that at one time brought profitability may at another time, jeopardize the very life of the company.

Our turnaround group is well trained in listening intently to our clients with the goal of truly understanding the nuances of their business. We are goal-oriented and develop customized and guided turnaround plans that return our clients to profitability by decreasing costs, stabilizing cash flow, restructuring financials and redefining strategic business objectives.

We have decades of turnaround experience solving complex business issues and developing growth strategies that foster renewal of liquidity. We understand the difficulties associated with change and help guide our clients as their organizations move to a healthy new stage of operation.
